

### **The Stranolar Clock Tower**

Officially Launched at Midnight Millennium Night 2000. Commissioned jointly by Donegal County Council and Stranolar Town Action Group (STAG). Funded mainly through the Per Cent for Art Scheme Ballybofey/Stranolar Sewerage Treatment Scheme, Donegal Local Development Company Ltd (LEADER 1 Funding), local fundraising by Stranolar Town Action Group (STAG) and partly National Millennium Funds.

The project involved the design and construction of a tower to house the restored Stranolar Railway Station Clock and the internal workings of the clock can be seen through the skin of stainless steel woven wire mesh which covers the top of the tower.

The restoration of the Stranolar Clock was carried out by John Smith and Sons, Cork, Ireland
